

HOMEOBOTANICAL INSTITUTE INCORPORATED JULY NEWSLETTER 2015

Hello Members, Thanks to Sharon Hope for organizing our conference in May at the Hamilton Gardens, beautiful venue, sadly the weather kept us indoors on the Saturday, luckily for us we were able to get outside on the Sunday and enjoy the gardens. Angela Chadwick took us around the native gardens and told us how she uses them, I do love that earthly learning, sadly I don't get out there into the garden enough or make my own remedies.

With thanks to outgoing President and Committee we have elected a new one.

President	Don Patterson
Vice President	Merv Fisher
Secretary	Tina Gale
Treasurer	Debs Chase Patterson
Committee	Don, Merv, Tina, Debs, Rochelle Collinson, Fran, John Bray ??

2016 Conference Dates

The Homeobotanical Society are to stay at Aongatete Lodge from 5 pm on Friday 29/4/16 through Saturday 30/4/16 and until 5 pm on Sunday 1/5/16 for 2 days of educational activities based on our learning about native plant remedies from the NZ authority on the subject Angela Chadwick. New and existing members are invited to join us for the low cost weekend and to help us to preserve this ancient herbal healing art.

Hb Members, I have created a closed group page for us on facebook. To share and support each other. Whilst anyone can search the group only members of our group can see the posts. This is an opportunity for those of us to get to know each other, support each other, answer questions and or share your success. The group is called Hb Members, you will need to search the group and like it, Tina Gale is the administrator for the page. So get on and introduce yourself and share something, we are a small group so let's make it work.
